

SPOTLIGHT

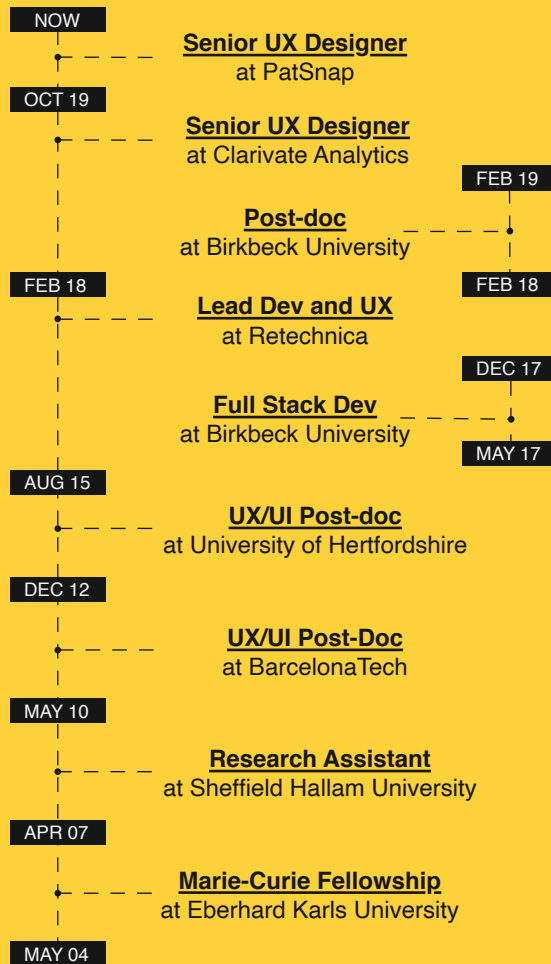

JOAN S. PONS
UX designer

> I am a passionate product/UX designer with programming skills and academic background who enjoys working in a challenging environment. I make sure to keep up to date with the latest technology and best practices to create the best possible experience for users. I am comfortable both leading and working in a multidisciplinary and international team. I constantly strive to keep improving my skills and share what I have learned with others, and best of all have fun!
